We are celebrating five decades of leadership in providing affordable, welcoming, and well-maintained rental homes in Princeton. More than 1,000 residents (about 3% of the Princeton population) live in our 466 homes. Over the years, thousands of Princeton Community Housing residents (including families and individuals) have thrived in our affordable homes and contributed to the wider community. Please join with us as we continue to help create the fabric of opportunity and diversity -- and look to the decades ahead!
