B. The property shall not discriminate because of race, color, sex, familial status, religion, handicap, disability, or national origin in the leasing, rental, or other disposition of housing in any of the following ways:

- (1) Deny to any household the opportunity to apply for housing, nor deny to any eligible applicant the opportunity to lease housing suitable to its needs,
- (2) Provide housing which is different than that provided others,

C. It is the policy of this property, pursuant to Section 504 of the Rehabilitation Act (if applicable) and the Federal Fair Housing Act to provide reasonable accommodations and modifications upon request to all applicants, residents, and employees with disabilities.

The property shall not discriminate because of race, color, sex, familial status, religion, handicap, disability, or national origin. The property will do its due diligence to identify and eliminate situations or procedures which create a barrier to equal housing opportunity for all. In accordance with Section 504, the Property will make reasonable accommodations for individuals with handicaps or disabilities as well as for individuals with limited English proficiency (applicants or residents).

D. Questions and inquiries regarding applicant treatment relative to Title VI of the Civil Rights Act of 1964, Title VIII of the Civil Rights Act of 1968, Executive Order 11063, E.O. 13166 or the Fair Housing Act Amendments of 1988 should be addressed by mail to the following person, responsible for related policies: Sandra Persichetti, Executive Director, 245 Nassau Street, Princeton, NJ 08540, 609-924-3822. This person is not directly involved in the day-to-day decision-making process involving admitting applicants to the property.

E. Limited English Proficiency -- Management complies with Executive Order 13166 in its efforts to improve access to all of its programs activities for persons who, as a result of national origin, are limited in their English proficiency. A Language Access Plan, which outlines the specific language assistance that is provided for persons who are limited in their English proficiency, is available for review upon request.

## **2. Privacy Policy**

It is the policy of the property to guard the privacy of individuals conferred by the Federal Privacy Act of 1974 and to ensure the protection of such individuals' records maintained by the property. Therefore, neither the property nor its agents shall disclose any personal information contained in its records to any person or agency unless required by law, or unless the individual about whom information is requested shall give written consent to such disclosure.

This privacy policy in no way limits the property's ability to collect such information as it may need to determine eligibility, compute rent, or determine an applicant's suitability for tenancy. Consistent with the intent of Section 504 of the Rehabilitation Act of 1973, any information obtained regarding handicap or disability will be treated in a confidential manner.

## **3. General Eligibility Requirements**

Applicants must meet the following requirements to be eligible for occupancy and housing assistance at the above-mentioned property:

A. The family's annual income must not exceed the applicable income limit for this property, or for the household size.

Income eligibility must be determined prior to approving applicants for tenancy.

B. Social Security number requirements:

(1) In order to determine eligibility and offer a unit, HUD requires every household member, including live-in aides, foster children and fostered adults (unless the household is an Exception as noted in [2] below) to have a Social Security Number (SSN).

In addition, the applicant family must provide (for management to copy) a valid Social Security card issued by the Social Security Administration for each household member.

- If the household member cannot produce his/her valid Social Security card, at least one of the following alternative documents must be provided as documentation:
  - An original document issued by a federal or state government agency which shows the person's name and SSN along with other identifying information (i.e. SSA benefit award letter)
  - Driver's license that shows the Social Security Number
  - Earnings statement on payroll stubs
  - Bank statement or Form 1099
  - Retirement benefit letter

- Life insurance policy or court records
- Other evidence that HUD designates as acceptable
- Documents that are not originals, or that have been altered, are mutilated or are illegible, or that appear to be forged, will be rejected. In this case, management will explain the reason why the document is not acceptable, and will request the submission of acceptable documentation within a reasonable time frame, prior to a unit being offered.
- After making a copy of the Social Security card the original will be returned to the applicant. After the electronic transmission of the Move-In certification, the SSN will be verified via the EIV computer matching program with the Social Security Administration, and a copy of that verification will be retained in the tenant file.

(2) Exceptions:

- a. Individuals who acknowledge that they are not entitled to housing assistance because they do not have eligible immigration status
- This is documented by the household member's Citizenship Declaration, showing that the individual did not contend eligible immigration status. Mixed households with unassisted, ineligible noncitizens can be admitted with prorated assistance, even though the unassisted individuals do not have SSN documentation.
- b. Household members who were age 62+ as of 1/31/10 AND whose initial determination of eligibility had already begun prior to 1/31/10
  - Persons who previously lived in either a Public and Indian Housing or Multifamily HUD-assisted program will have 50058 or 50059 move-in certifications, with effective dates to support this exception. Documentation must be obtained from the prior property (not from the applicant) and will be kept in the tenant file.
  - Exception status for these individuals remains valid, even when the person moves to another HUD-assisted program, and/or if there is a break in tenancy.

(3) Timeframes for providing Social Security Numbers and documentation

- Although applicants are not required to provide Social Security Number documentation when the application is submitted, documentation for all non-exempt household members must be provided before a household can be housed.
- If there is missing SSN documentation for any non-exempt household member when the household reaches the top of the waiting list and a unit is available, then the household will be skipped, in order to admit the next eligible household.
  - The skipped applicant household may keep its position on the waiting list for 90 days from the date they are first offered a unit, to allow them time to provide acceptable SSN documentation.
  - After 90 days, if any household member has not provided SSN documentation, the household will be determined as ineligible and will be removed from the waiting list.

(4) Adding household members after move-in:

- For a new member, regardless of age, who has a social security number, SSN documentation must be provided no later than the processing of the certification that adds the new person to the household.

- If the new member is a child under 6 without a social security number, the household has 90 days to provide SSN documentation. An additional 90 days will be granted only if failure to provide documentation is due to circumstances beyond the tenant's control.
    - During this time, the child will appear on tenant certifications with all appropriate benefits and deductions and a TRACS ID will be assigned by HUD.
    - When the SSN documentation is provided, an interim certification will be processed to change the TRACS ID to the verified SSN.
    - If acceptable SSN documentation is not provided by the deadline date, eviction proceedings will begin to terminate tenancy of the household, since the household will be in non-compliance with its lease.
- C. All adults, as well as any adjudicated minors who are the Head, Spouse or Co-Head in each applicant family must sign an Authorization for Release of Information (HUD 9887/9887A) prior to receiving assistance, and annually thereafter.
- D. The unit for which the family is applying must be the only residence of each household member.
- E. An applicant must agree to pay the rent required by the program under which the applicant will receive assistance.
- F. All applicants must complete a Citizenship Declaration. For children 12 years of age and younger, the Declaration may be completed by the parent/guardian.

Each family member must have U.S. citizenship, naturalization, and/or verified eligible immigration status, if under 62 years of age, to qualify for subsidy.

A person claiming to be an eligible non-citizen who is under age 62, must sign a Verification Consent Form and present one of the following documents, along with the completed application, or prior to the determination of eligibility:

- (1) Form I-551, Alien Registration Receipt Card (for permanent resident status)
- (2) Form I-94, Arrival Departure Record, with one of the following annotations: (a) "Admitted as refugee Pursuant to section 207", (b) "Section 208" or "Asylum", (c) "Section 243(b)" or "Deportation stayed by Attorney General", or (d) "Paroled Pursuant to Sec. 212(d)(5) of the INA".
- (3) If Form I-94 is not annotated, one of the following documents must be provided: (a) final court decision granting asylum, but only if no appeal is taken, (b) Letter from a DHS asylum officer granting asylum (if application was filed on/after 10/1/90), or from a DHS district director granting asylum (if application was filed before 10/1/90), (c) Court decision granting withholding of deportation, or (d) letter from a DHS asylum officer granting withholding of deportation (if application was filed on/after 10/1/90)
- (4) Form I-688, Temporary Resident Card, which must be annotated "Section 245A" or "Section 210"
- (5) Form I-688B, Employment Authorization Card, which must be annotated "Provision of Law 274a.12(11)" or "Provision of Law 274a.12."
- (6) Receipt issued by the DHS indicating that an application for issuance of a replacement document in one of the above-listed categories has been made and that the applicant's entitlement to the document has been verified
- (7) Form I-151, Alien Registration Receipt Card

All persons claiming to be eligible non-citizens, who are under age 62, will have their citizenship eligibility status verified through the computerized SAVE System provided by the Department of Homeland Security (DHS).

If secondary verification is necessary and is not provided within the SAVE System, immigration status will be verified using the paper process. A completed Document Verification Request, Form G-845S, and photocopies of the immigration documentation provided by the applicant will be mailed to the local immigration office to receive verification of the validity of the documents.

#### G. Student Eligibility:

An individual enrolled as either a part-time or full-time student at an institution of higher education for the purpose of obtaining a degree, certificate, or other program leading to a recognized educational credential must meet all of the following criteria to be eligible:

- (1) Be of legal contract age under state law, and
- (2) Have established a household separate from parents or legal guardians for at least one year prior to application, or meet the U.S. Dept. of Education's definition of an independent student, and
- (3) Not be claimed as a dependent by parents or legal guardians under IRS regulations, and
- (4) Obtain a certification of the amount of financial assistance that will be provided by parents, signed by the individual providing the support, even if no assistance will be provided.

If an ineligible student is a member of an applicant (or an existing) household receiving assistance, the assistance for the entire household will be terminated.

- I. The applicant must have previously demonstrated an ability to pay rent and adhere to a lease. Applicants will not be rejected due to a lack of rental history, but may be rejected for a poor rental history.

#### 4. Application Intake and Processing

It is the property's policy to accept and process applications in accordance with applicable HUD Handbooks and regulations.

Applications can be obtained, at any time, in the lobby of the site management office, via a written or verbal request, or printed from the website; [www.princetoncommunityhousing.org](http://www.princetoncommunityhousing.org).

All submitted applications must be in writing, on forms provided. If, due to a disability, an applicant is unable to complete an application, a third party can assist in the completion of the form. Only fully completed applications will be accepted. Every application must be completed and signed by the head of household and all additional household members 18 years of age or older. All of the members of the household must be listed on the application.

Applications can be returned to the office or mailed to the property address, to the attention of the property manager.

All applicants will be provided with HUD Form 92006, Supplement to the Application. This form gives applicant households the option of including contact information for a family member, friend or social service agency worker who can assist with services and special needs, or in resolving tenant issues. Although the applicant is not required to provide another contact, the applicant must sign and return the form along with the completed application.

Staff or staff-provided assistance will be available upon request. This may take the form of answering questions about the application, helping applicants who might have literacy, vision, or limited English proficiency challenges via oral or written translation or large print, and, in general, make it possible for interested parties to apply for assisted housing. Applicants may bring an individual with them, to help with the application, if desired.

Upon determination that the application is completed, staff will add, via handwriting or stamp, the date and time the application was received, followed by the initials of the person accepting the application. The applicant will be added to the waiting list(s), if applicable. All applications will be kept at the property or its file storage locations.

If the application received is not fully complete (including any required attachments) and/or is not signed/dated by all household members age 18 years or older, the application will be returned to the household and the household will not be added to the waiting list.

## **5. Applicant Screening Process**

Listed below are the criteria and methods used to review the household's application:

#### D. Rental History

If any household member was a previous resident at this property, the tenant file will be checked. If there is documentation that the tenant was notified of rules violations or lease violations, the application will be rejected.

Previous landlords may be contacted to ask for comments regarding the applicant's rental history. Acceptable topics of discussion include but are not limited to: cooperation with recertification processes, compliance with the lease and house rules, rent payment, and housekeeping.

- (1) An applicant household will be rejected if any member of the household has left another HUD-assisted property owing overpaid HUD assistance, unpaid rent or damages.

- (3) This property will reject a household in which any member is currently engaged in illegal use of drugs or which shows a pattern of illegal drug use that may interfere with the health, safety, and right to peaceful enjoyment of the property by other residents.
- (4) The property will reject a household in which any member shows a pattern of alcohol abuse that may interfere with the health, safety, and right to peaceful enjoyment of the property by other residents. The screening standards must be based on behavior, not the condition of alcoholism or alcohol abuse.

### **6. Occupancy Standards**

Applicants must meet the established occupancy standards. As a general policy, there should be a minimum of one person per bedroom and no more than two persons per bedroom. Management shall take into consideration mitigating circumstances such as reasonable accommodations for disabilities and verified medical reasons for a larger unit.

Dwelling units will be assigned in accordance with the following standards:

<u>Bedroom Size</u>	<u>Persons per Household</u>	
	<u>Minimum</u>	<u>Maximum</u>
1 Bedroom	1	2
2 Bedrooms	2	4
3 Bedrooms	3	6

## **7. Determination of Applicant Eligibility: Application Acceptance and Rejection**

Information needed to determine applicant eligibility will be obtained, verified, and the determination of applicant eligibility performed, in accordance with HUD and property eligibility requirements. Eligible applicants will be placed on the waiting list(s), and will be promptly issued a preliminary notice of eligibility, or a rejection notice, as appropriate.

The property complies with applicant rejection requirements set forth in the HUD Handbook 4350.3. Management reserves the right to reject applicants for admission if it is determined that the applicant or any member of the household falls within any one or more of the following categories:

- A. **Misrepresentation:** Willful or serious misrepresentation in the application procedure or certification process for any government assisted dwelling unit.
- B. **Records of Disturbance of Neighbors, Destruction of Property or Other Disruptive or Dangerous Behavior:** Includes documented instances of behavior or conduct which adversely affects the safety or welfare of other persons by physical violence, gross negligence or irresponsibility which damages the equipment or premises in which the family resides; or which is disturbing or dangerous to neighbors or disrupts sound family and community life.
- C. **Violent Behavior:** Includes documented evidence of acts of violence or of any other conduct which would constitute a danger or disruption to the peaceful occupancy of neighbors.
- D. **Non-Compliance with Rental Agreement:** Includes evidence of any failure to comply with the terms of rental agreements at prior residences, such as failure to recertify as required, providing shelter to unauthorized persons, keeping unauthorized pets, or other acts in violation of rules and regulations.
- E. **Owing Prior Landlords:** Applicants who owe a balance to present or prior landlords will not be considered for admission until the account is paid in full and reasonable assurance is obtained that the contributing causes for nonpayment of rent or damages have changed sufficiently to enable the family to pay rent and other charges when due.
- F. **Ineligible Students:** Applicant households whose members include an ineligible student who is enrolled in an institution of higher education as noted in Section 3.I (Program Eligibility Requirements/Student Eligibility).
- G. **Unsanitary or Hazardous Housekeeping:** Includes creating any health or safety hazard through acts of neglect, and/or causing or permitting any damage to, or misuse of premises and equipment; causing or permitting infestation, foul odors or other problems injurious to other persons' health, welfare or enjoyment of the premises; depositing garbage improperly; failing to reasonably and properly use all utilities, facilities, services, appliances and equipment within the dwelling unit, or failing to maintain them in a clean condition; or any other conduct or neglect which could result in health or safety problems or damage to the premises.
- H. **Criminal Activity:** Management has established a policy to reject all applications where the applicant or any household member has engaged in certain criminal activity. The activities that will be grounds for rejection of an application are defined in Section 5A (Applicant Screening Process, Criminal Background Check).
- I. **Social Security Number Documentation:** If there is missing SSN documentation for any non-exempt household member when the household reaches the top of the waiting list and a unit is available, then the household will be skipped, in order to admit the next eligible household. The skipped applicant household may keep its position on the waiting list for 90 days from the date they are first offered a unit, to allow them time to provide acceptable SSN documentation. After 90 days, if any household member has not provided SSN documentation, the household will be determined as ineligible and will be removed from the waiting list.
- J. **Credit History:** A consistent, severe or recent history of deficiencies in overall credit or rent payment which

indicates that the family will be unable or would otherwise fail to pay when due rent for the apartment and other expenses relating to occupancy of the apartment.

All applicant rejections will be made in writing, and will include specific reason(s) for the rejection.

The rejected applicant has the right to respond, in writing, within 14 days, to request a meeting to dispute the rejection. Persons with disabilities have the right to request reasonable accommodations to participate in the grievance process.

Management will provide a written determination to the applicant within 5 (five) days of the meeting.

## **8. Applicants who Require Reasonable Accommodations, Including Live-In Aides**

A reasonable accommodation is a change, exception, or adjustment to a program, service, building, dwelling unit, or workplace that will allow a qualified person with a disability to fully participate in a program, take advantage of a service, live in a dwelling unit, or perform a job.

For reasonable accommodations to apply there are several requirements. First, the applicant must have a verifiable disability (mental or physical impairment that substantially limits one or more major life activities) as defined by HUD as applicable to the property's program type.

Next, the disability must have a direct correlation to the accommodation being requested by the applicant. And, the applicant must request a reasonable accommodation and provide verification of his/her disability and his/her need for the accommodation. Finally, for the accommodation to be reasonable it cannot result in a financial or administrative burden to the property.

In some situations, even with reasonable accommodations, applicants with disabilities cannot meet essential program requirements. In these situations the applicant is not eligible and the applicant will be rejected. Examples of such situations include cases where the applicant's behavior or performance in past housing caused a direct threat to the health or safety of persons or property; past history or other information that shows the applicant's inability to comply with the terms of the property's lease; or an objective determination that the applicant would require services from management that represent an alteration in the fundamental nature of the property's program.

If an applicant makes a request, management will provide a reasonable accommodation if the applicant has a verifiable disability that is directly related to the request and providing the reasonable accommodation will not result in a financial or administrative burden to management or to the owner.

Reasonable accommodations may include changes in the method of administering policies, procedures, or services.

In providing reasonable accommodations for, or performing structural modifications for otherwise qualified individuals with disabilities, the property is not required to:

- (1) Make structural alterations that require the removal or altering of a load-bearing structure,
- (2) Provide support services that are not already part of its housing programs,
- (3) Take any action that would result in a fundamental alteration in the nature of the program or service, or
- (4) Take any action that would result in an undue financial and administrative burden on the property, including structural impracticality as defined in the Uniform Federal Accessibility Standards (UFAS).

If the site is unable to make a reasonable accommodation due to a resulting financial burden, the applicant may, at his/her own expense, make the accommodation after structural approval by management. Management may require that the tenant remove the accommodation (or have it removed) upon vacating the unit.

Live-In Aides are considered to be a reasonable accommodation. Property management must obtain verification that the Live-In Aide is needed to provide necessary supportive services essential to the care and well-being of the individual, and that there is a disability-related need for the Live-In Aide. This verification will be obtained from the individual's physician, medical practitioner or health care provider.

The Live-In Aide cannot stay in the unit as a remaining family member, once the tenant who needs the services leaves the unit or dies. Live-In Aides who violate any of the property's House Rules will be subject to eviction. Live-In Aides must meet the same screening criteria as any other applicant, with the exception of credit checks.

#### 9. Waiting List Preferences

HUD regulatory preference is given to applicants who have been displaced by government action or by a presidentially declared disaster. Verification in the form of the government document describing the displacement will be required.

PCV Board of Trustees Resolution 2007-06 states that housing will be offered to one disaster-displaced applicant or U.S. State Department approved refugee family /year at PCV so long as such placement is consistent with HUD and NJHMFA regulations and policies. In the event there is more than one applicant/year, additional applications will be reviewed at the discretion off the Board.

#### **9. Waiting List Management**

It is property policy to administer its waiting list as required by HUD handbooks and regulations.

##### A. Opening and Closing the Waiting List(s):

In order to maintain a balanced application pool, the property may restrict or suspend application-taking and close the waiting list. The property will also update the waiting list by removing the names of those who are no longer interested in, or no longer qualify for, housing.

Decisions about closing the waiting list will be determined based on the number of applications available for a particular unit size and the ability of the property to house an applicant in an appropriate apartment within a two-year period.

Closing and reopening of the waiting list, as well as any restrictions on accepting applications, will be publicly announced in publication(s) likely to be read by potential applicants. Advertisements will include information about where and when to apply, and will conform to the advertising and outreach practices described in the property's Affirmative Fair Housing Marketing Plan.

During the period when the waiting list is closed, the property will not maintain a list of individuals who wish to be notified when the waiting list is reopened.

##### B. Updating the Waiting List:

The waiting list will be updated annually, during the month of January, to keep applicant information current, and to remove anyone who wants to be removed or no longer qualifies for admission to the property.

A letter will be sent to each applicant, asking for outdated information to be updated in writing, and asking whether the applicant wishes to remain on the waiting list or not. Confirmation must be returned to the property, in writing, using any forms which may be provided, within 30 (thirty) days of the letter's postmark date. Upon request, assistance will be provided to any applicant households with disabilities or limited English proficiency, to enable them to meet this deadline.

When applicants notify the property of changes in household composition, the waiting list information will be updated, and a determination will be made as to whether or not the household needs a different unit size. The household will keep its original application date and place on the waiting list in the event of this type of change.

### C. Removal of Applications from the Waiting List:

The property will not remove an applicant's name from the Waiting List unless:

- (1) The applicant requests that his/her name be removed.
- (2) The applicant was clearly told, in writing, of the requirement to advise the property of his/her continued interest in housing by a particular time, and failed to do so, even after being provided with reasonable accommodations in the event of handicap or disability.
- (3) The property attempted to contact the applicant in writing, but the letter was returned by the U.S. Postal Service as undeliverable.
- (4) The property has notified the applicant, in writing, of its intention to remove the applicant's name because the applicant no longer qualifies for assisted housing.
- (5) The applicant refused two offers of units for other than a medically-related reason.
- (6) The applicant accepted an offer of a unit but failed to move in on time, without notice.
- (7) The applicant household needs a different size unit due to a household composition change, and the property has no units of that size.
- (8) The applicant household failed to provide SSN documentation for any non-exempt household member after the expiration of the provided grace period.

## **10. Tenant Interviews**

As the applicant approaches the top of the waiting list, the applicant will be interviewed with explanation of the regulations and policies associated with the property. The interview shall be conducted in accordance with the HUD Handbook 4350.3 and topics will include, but are not limited to:

- (1) Income/asset/expense information, as well as household composition
- (2) Tenant-paid utilities
- (3) The requirement for all household members age 18+ to sign consent for release of information forms
- (4) Proof of legal residence will be collected
- (5) HUD-required Citizenship Declaration forms will be collected for each household member
- (6) Applicant's ability and willingness to comply with the terms of the property's lease and community's policies
- (7) Statutory, HUD, state and local preferences, if any
- (8) HUD-required SSN documentation will be collected for all household members

All reasonable efforts will be made to offer reasonable accommodations as requested by applicants with disabilities and/or limited English proficiency during the application process, as well as during tenancy and for all appeal processes.

## **11. Verification Requirements**

The property will obtain verifications in compliance with requirements set forth in the HUD Handbook 4350.3. No decision to accept or reject an application will be made until all verifications required, per the application form, have been collected, and any necessary follow-up interviews have been performed.

- (1) Checklists completed as part of the interview process, signed by the applicant
- (2) Verification forms completed and signed by third parties
- (3) Use of HUD's EIV (Enterprise Income Verification) system, a computerized database containing social security and employment/unemployment income
- (4) Reports of interviews
- (5) Documentation provided by the applicant, i.e. award letters, pay stubs, bank statements
- (6) Notes of telephone conversations with reliable sources, faxes, e-mail or internet correspondence. At a minimum, each file notation will indicate the date and time of the conversation, source of the information, name and job title of the individual contacted, and a written summary of the information received.

Management staff will be the final judge of the credibility of any verifications submitted by an applicant. If front-line staff considers documentation to be doubtful, it will be reviewed by management staff who will make a ruling about its acceptability. Management staff will continue to pursue credible documentation until it is obtained or the applicant is rejected for failing to produce it.

D. Sources of information to be checked may include, but are not limited to:

- (1) The applicant by means of interviews
- (2) Present and former housing providers
- (3) Present and former employers
- (4) HUD's EIV (Enterprise Income Verification) system, a computerized database containing social security and employment/unemployment income
- (5) Credit and criminal checks
- (6) Social workers, parole officers, court records, drug treatment centers, physician, clergy, INS
- (7) Law enforcement

E. Preferred Forms of Verification: Verifications will be attempted in the following order:

- (1) HUD's electronic EIV system, as applicable
- (2) Third-party written from the source
- (3) Third-party oral with a record kept in the files
- (4) Copies of documents provided by the household (i.e. Social Security printouts, pay stubs, bank statements, pharmacy printouts, payment book stubs for medical insurance premiums, etc.)
- (5) When the above cannot be obtained, notarized affidavits from the household as allowed by HUD

Each file will be documented to show that property staff attempted to obtain independent written documentation before relying on a less acceptable form of verification.

F. Applicant history will be checked using the following methods:

- (1) Past performance meeting financial obligations, especially rent:
  - (a) Credit and criminal checks will be processed through approved credit bureaus. Criteria for admission is described in Section 5.
  - (b) Contacting the current landlord and at least one prior landlord to gather previous rental history information. The reason for checking with prior housing providers is that current housing providers of dangerous, destructive, or costly applicants may misrepresent information about them to get the property to take over their problems.
  - (c) Otherwise-eligible households who apply for housing with outstanding balances owed to their current property, or to this property as a past tenant are ineligible. After the applicant presents proof of payment of any such balances, s/he may re-apply and, if otherwise eligible, will be added to the waiting list based on the re-application date.
- (2) Disturbance of neighbors, destruction of property, or living or housekeeping habits that would pose a threat to other residents:
  - (a) Staff will check for these potential problems with the current landlord and at least one former landlord.
  - (b) If the applicant is not currently living under a lease, the housing provider will be asked to verify the applicant's ability to comply with property lease terms as it relates to these guidelines. Any unit for which the applicant has upkeep responsibility may be physically checked.
  - (c) An applicant's behavior toward the property manager and other staff will be considered as indicative of future behavior toward neighbors. Physical or verbal abuse or threats by an applicant toward property staff will be noted in the file.

- (3) Involvement in criminal activity on the part of any applicant household member which would adversely affect the health, safety, or welfare of other residents.
  - (a) Criminal history checks of convictions and outstanding warrants with registries, local, state and federal authorities.
  - (b) Applicants who are listed on sex offender registries in any state must be rejected by HUD regulation.
  
- (4) A record of eviction from housing or termination from residential programs will be considered:
  - (a) Property management will check property records, management records, and other records to determine whether the applicants have been evicted from this property, any other assisted housing, or any other property in the past
  - (b) Records of evictions from residential programs will be checked with service agencies and with any housing providers referred by the applicant.
  
- (5) Current residence in other HUD assisted housing
  - (a) Applicant households must disclose if any household member is currently receiving HUD housing assistance. Households are not permitted to receive assistance in multiple households for the same time period, or to receive assistance if more than one residence will be maintained.
  - (b) HUD provides management with information about whether each applicant receives HUD assistance, and where that residence is located.
  - (c) Management will use the EIV (computerized Enterprise Income Verification) system's Existing Tenant Search report to identify household members who currently reside in HUD's Public and Indian Housing, or Multifamily programs.
    - i. This report will be printed for each member of the applicant family when processing the applicant for admission, prior to offering a unit.
    - ii. If any family member is currently living in another PIH/MF assisted unit, plans to vacate that unit will be discussed with the applicant. Move-Out/Move-In dates will be coordinated with management at the other assisted property to avoid HUD being billed for double subsidy.
    - iii. Results of discussions with the applicant and/or other site will be recorded on the Existing Tenant Search.
    - iv. For applicants who move into the property, the Existing Tenant Search report(s), along with all documentation, will be kept in the tenant file with the application for the term of tenancy plus three years. For applicants who do not move in, the report(s) and documentation will be retained, along with the application, for three years.
  - (d) Applicants living in other HUD-assisted housing may apply to this property. However, the applicant must move out of the current property before HUD assistance can begin at this property. Special circumstances exist: (1) for minor children where both parents legally share 50% custody, and (2) for HUD-assisted household members in another property who are moving in order to establish a new household, when remaining family members will stay in the old unit.
  - (e) If any member of the applicant household fails to accurately disclose his/her rental status, the application may be denied based on "misrepresentation of information." After move-in, if any household member receives, or tries to receive, HUD housing assistance at another property while still living at this property, the household will be required to repay HUD for all overpaid assistance.

## **12. Attempted Fraud**

Any information provided by the applicant that verification proves to be untrue may be used to disqualify the applicant for admission on the basis of attempted fraud. The property considers false information about the following to be grounds for rejecting an applicant:

- (1) Income, assets and/or expenses

- (2) Household composition
- (3) Social Security Numbers
- (4) Preferences and priorities
- (5) Eligibility for allowances
- (6) Previous residence history or criminal history
- (7) Citizenship, naturalization, and/or eligible immigration status

If, during the course of processing an application, it becomes evident that an applicant has falsified or otherwise willfully misrepresented any facts about his/her current situation, criminal history, or behavior in a manner that would affect eligibility, priorities, application selection criteria qualification, allowances or rent, the application will be rejected.

During the course of processing an application, there may be errors in name spellings, dates of birth and other such data, resulting in inaccurate criminal, credit, or other screening. In these cases, screening may be re-done. If these checks result in documentation of circumstances that would have caused an applicant to be rejected, the application will be rejected. If the applicant has already moved in, this evidence may be the cause of eviction proceedings.

Unintentional errors will not be used as a basis to reject applicants.

### **13. Offering an Apartment**

When an apartment becomes available for occupancy, it will be offered to the applicant at the top of the waiting list for the apartment size.

If a household requests to be placed on the waiting list for more than one unit size the applicant will be notified when s/he nears the top of the waiting list for which a unit becomes available first. The applicant may refuse the first unit type and continue to wait for the other unit type with no change in waitlist position for the other unit type. If the next unit available is not the other unit type, the household must either occupy the vacant unit offered, or be placed at the bottom of the waitlist for the other unit type.

If an applicant rejects an offer without good cause, the applicant is removed from all Waiting Lists.

Any family placed in a unit size different than that defined in these Occupancy Standards must agree to transfer to an appropriate size unit when one becomes available, in accordance with the Transfer Policy and Lease Addendum.

If mail sent to the address the applicant listed as his/her current address is returned by the Postal Service, the document will be kept on file and an attempt will be made to contact the applicant via other means. If the applicant cannot be contacted within 5 (five) working days by alternate means, the apartment will be offered to the next applicant on the waiting list. Attempts to contact the household will be documented in the applicant file, and the applicant will be removed from the waiting list.

If the applicant is offered a unit in writing, but fails to reply by the date noted on the offer letter, the applicant will be removed from the waiting list. The apartment will be offered to the next applicant on the waiting list.

If an applicant fails to move in on the agreed date without notice, the application will be rejected, the applicant's name will be removed from all waiting lists and the apartment will be offered to the next household on the waiting list.

Although applicants are not required to provide Social Security Number documentation when the application is submitted, documentation for all non-exempt household members must be provided before a household can be housed.

If there is missing SSN documentation for any non-exempt household member when the household reaches the top of the waiting list and a unit is available, then the household will be skipped, in order to admit the next eligible household.

- The skipped applicant household may keep its position on the waiting list for 90 days from the date they are first offered a unit, to allow them time to provide acceptable SSN documentation.
- After 90 days, if any household member has not provided SSN documentation, the household will be determined as ineligible and will be removed from the waiting list.

#### **14. Priorities for Accessible or Adaptable Apartments**

For apartments accessible to, or adaptable for, persons with mobility, visual, or hearing impairments, households containing at least one person with such an impairment will have first priority (as applicable for a particular apartment feature).

Current residents who require accessible/adaptable apartments shall be given priority over applicants requiring the same type of apartment. If a tenant is transferred as a reasonable accommodation to a household member's verified disability, the owner will pay the costs (not to include transfer of utilities) associated with the transfer, unless doing so would be an undue financial/administrative burden.

When there are no residents or applicants who need the features of existing accessible units, persons without disabilities may move into those apartments. However, they must agree to move to an available apartment of the appropriate bedroom size with no such design features, if an applicant or current resident requires that accessible unit. Units designed for the mobility-impaired are set aside for individuals who are mobility impaired.

#### **15. Prior to Move-In**

- (1) Management will explain the HUD regulations regarding the following:
  - (a) Security deposits
  - (b) Annual recertifications
  - (c) Interim recertifications
  - (d) Unit inspections
  - (e) Community policies
  - (f) Transfer policies
- (2) All adult household members (age 18 and older and any adjudicated minors who are the Head, Spouse or Co-Head) will sign the Lease, Community Policies or House Rules, Verification Consent Forms including the 9887/9887A, and related documents and addenda.
- (3) Social Security number documentation must be provided for every non-exempt household member, including live-in aides, foster children and foster adults.
- (4) The applicant and management will inspect the apartment and sign the Move-In Inspection form either prior to Move-In or on Move-In day.
- (5) The applicant will pay the Security Deposit.
- (6) The applicant will pay the rent for the first month, as set forth in the Lease.
- (7) The applicant will be given a copy of the Move-In Certification, Lease, Move-In Inspection form, Community Policies/House Rules, all other HUD-required forms and notices, and a receipt for the Security Deposit and first month's rent.

## **16. Apartment Inspection**

All apartments must undergo a move-in inspection by the owner/agent and the tenant the day of or prior to the day of move-in. A move-in inspection form will be completed and signed and dated by the tenant and owner/agent confirming that the unit is in decent, safe, and sanitary condition. After move-in, inspections will be completed at least annually by the owner/agent and inspections may also be conducted by HUD, USDA, and/or the property's Contract Administrator.

## **17. Unit Transfer Policies**

- A. Residents will be placed on a transfer waiting list if they meet one of the following conditions:
- (1) Unit transfer is needed for medical reasons which are certified by doctor, or
  - (2) Unit transfer is needed based on the need for an accessible unit, as certified by a physician or other medical professional, as a reasonable accommodation for persons with verified disabilities
  - (3) Unit transfer is needed due to a change in family composition and/or family size
  - (4) Current residents who meet any of the qualifications above may be given priority over applicants.
- B. Residents requesting transfers for the above reasons will be placed on a transfer list based on the apartment size requested.
- C. Residents with disabilities will be given priority for an apartment which has accessible features.
- D. Transfers should occur after the completion of the initial lease term (except those based on accessibility needs) and are limited to two days: one to move out of the current apartment, and one to move into the new apartment.
- E. When a household transfers to a new apartment, management will close out the existing deposit, deduct resident charges, and determine a new security deposit based on the new TTP or program requirement.
- F. Depending upon the circumstances of the transfer, a tenant may be obligated to pay all costs associated with the move. However, if a tenant is transferred as a reasonable accommodation to a household member's disability, then the owner must pay the costs associated with the transfer, unless doing so would be an undue financial and administrative burden.

## **18. Annual and Interim Recertifications**

HUD regulations require an annual recertification of income, assets and expenses for rent determination. Interim recertifications depend upon certain resident changes such as changes to household members and/or changes in income, assets or expenses. This policy will be explained prior to the Move-In.

Tenants are required to notify management when there is any change in household composition. The same screening criteria are used for all new household members as are required for new households (with the exception of credit checks for Live-In Aides).

Tenants are required to notify management any time a previously unemployed adult in the household begins working, and/or if the household's income goes up \$200/month or more. Tenants may request an interim recertification due to a decrease in income, or an increase in deductions.

## **19. Remaining Family Members**

In order to stay in the unit as a remaining family member if the Head of Household leaves the unit, a person must already be on the lease when the Head of Household leaves, and must be of legal contract age under state law.

## **20. Pets**

This property does not allow dogs. A maximum of two, house-bound, neutered cats are allowed. Assistance animals are permitted as a reasonable accommodation for persons with verified disabilities, once the need has been properly verified by a physician, psychiatrist, social worker, or other licensed medical professional.

There must be a direct relationship between the person's disability and his or her need for the animal. Neither a security deposit nor a pet fee is required for an assistance animal. All state and local health, safety, and licensing laws apply. Refer to the House Rules for tenant pet care responsibilities.

Management reserves the right to deny a specific assistance animal only if:

- A. There is documented proof, based on prior behavior of the animal that it poses a direct threat to the health and safety of others that cannot be reduced or eliminated by a reasonable accommodation, or
- B. There is documented proof, based on prior behavior of the animal, that it would cause substantial physical damage to the property of others, or
- C. It can be specifically documented that the presence of the assistance animal would pose an undue financial and administrative burden to the provider, or
- D. Documented evidence shows that the presence of the assistance animal would fundamentally alter the nature of this property's services.

## **21. Other Disclosures**

Property employees are not permitted to accept any money connected with the application procedure, criminal or credit checks and/or apartment designation

A copy of this Tenant Selection Plan will be provided, at no charge, to any applicant, tenant, or member of the general public at his/her request.

In the event of changes to this Tenant Selection Plan, all tenants and applicants will be notified that the Plan has changed, and that a copy of the revised Plan will be provided, at no charge, upon request.

Tenants will receive a 30-day notice prior to the implementation of new House Rules.
